

# Chorós Χορός

a word with double meaning

**dance**

(body moving)

**group**

(collectivity)

# **Cchorós**

in Ancient Greek drama (tragedy – comedy):

**a group of people**

- interacting with the protagonists
  - express public opinion
- they are linked by a common condition

## Prometheus Bound (1930)

**Persians (2017)**

# The Eumenides

conclave

choir of angels

european parliament

**demonstration**

soup kitchen

Queue at an ATM

at the bus stop

refugees

football team

**HLW**  
**Wiener Neustadt**

Now ...

... let' s play !

be a **Xoqós** : make groups of 5 – 7 persons

each group has to create a small story

- ✓ with or without words
- ✓ with a bigining and an ending
- ✓ using anything – or nothing – of the available material

**Looking forward  
for your little performance**
