

HERE I AM

Something calling from deep inside me
A voice I knew but I could not hear
For so long I have tried to hide me
Couldn't see that you were so near
You know me you show me
Everything that I really am and
You saved me you gave me
Strength enough to say

Here I am

Ready for your love here I am
I'll never run away
I have made my connection
Seen my reflection in you
So here I am

Living under a lonely shadow
I have seen from the other side
Hope will shine from a single candle
Leaving all of the pain behind
It's our way a new day
Living in the here and now and
The living I'm feeling
Strong enough to say

Here I am

Ready for your love here I am
I'll never run away
I have made my connection
Seen my reflection in you
So here I am

Never leave me
You complete me
I finally know who I love
I love you
I love you
